THINGS TO KNOW

- **Be On Time!** We will be starting promptly in order to finish on time. If there are any delays, we will shorten breaks to keep us on schedule.
- Given this is a technology dependent event, there could be hiccups. Please be patient if technical difficulties occur!
- If you are not able to be with us for the entire conference, you can access the recording on your own up until 11:59pm on Sunday, February 8th. The link will be provided to you via email or at check-in.
- **If You Plan to Come and Go:** Though this gathering is built upon from start to finish, we are thrilled to have you whenever you can be here! If you need to come/go, plan those at natural breaks if possible.
- If you are returning on Saturday, feel free to leave items at your table on Friday night (Bible, guide, journal, pen, etc.)
- **Authenticity is key.** Let's be real. Let us open our hearts to hear God.

WHAT TO BRING

YOU. Let the distractions go. Turn your phone on silent. Dress comfortably!

YOUR BIBLE. The conference will be using ESV, but feel free to bring your preferred version.

PAPER & PEN. We will provide you with an attendee guide, which will have several blank pages for note taking. You will also receive an IF pen, but feel free to bring your own journal/notebook and pen. Writing things down helps commit them to memory!

REFRESHMENTS. We encourage you to bring a water bottle! We will have hot beverages and light snacks available during breaks.

MEALS. On Saturday, there will be two meal breaks. Lunch will be from 12pm-1:30pm and supper will be from 4:30pm-6pm. You are welcome to bring food and eat it at your tables or you can go out to eat. Whichever option you pick, we encourage you to do it with other women from the conference and continue the conversations from the sessions.
